

# Push Chair/Wheel Chair Route Fowey

## Fowey route for Chairs

This route takes you from where you have parked to the centre of Fowey and the Town Quay avoiding any steps. All the walking is either on roads or footpaths. An historic seaport, Fowey is the main exporting port for China Clay, it also plays host to 7000 visiting yachts a year. At the heart of the town is the Town Quay. From here you can take a boat trip around the harbour (seasonal) or just sit and watch all the activities on the river.

From **Readymoney Beach Car Park**, take the main vehicle entrance from the car park and turn right. It takes about fifteen minutes to walk to the centre and it is mostly level or downhill. As you walk along the Esplanade you will have excellent views of the river and Polruan on the other side.

From **Main Car Park** it is about an eight minute downhill walk. Take the vehicle entrance out of the car park and turn left. At the end of the road cross over and go down a very steep hill, cross over again and keep left past the Safe Harbour and take Brown's Hill immediately on the right. This route takes you down the hill past St Fimbarrus Parish Church.

From **Caffa Mill Car Park** it takes about ten minutes to walk to the centre. This is all road walking and the streets are very narrow, all the traffic will be coming towards you. There is a slight incline but then the last part is downhill. You will get views of the river and Bodinnick on the other shore at the start of the walk.

There are many historic points of interest on the way and to assist you there are interpretation panels at Caffa Mill car park, Main car park, Readymoney Car Park, Whitehouse slip and Fowey Town Quay.
